

Minnesota Yucai Chinese School 2008-2009 School Year

Call for Donation

October 3, 2008

Minnesota Yucai Chinese School (refer as Yucai hereafter) is a community-based non-profit organization, and has been recently approved with federal 501(c)(3) tax exempt status.

Yucai relies on tuition fees and generous contributions from all individuals especially parents of our students to run our school. To meet students' need, we've added a variety of Chinese language classes at different levels this year and kept all classes despite most of the class size are small. However, the total expense of extra classroom rental, material fee and teacher's compensate exceeds our expectation. Extra fund is also needed for special events. Your generous donation to support Yucai is greatly needed!

You can make a donation to Yucai in two ways. Your donation is tax-deductable in either way.

- Direct donation to Yucai: You can simply write a donation check to Yucai.
- Donate through United Way or other charity agency via your workplace charitable campaign.

Please check with your employer to get details of the donation procedure that you can designate the amount of donation to Yucai as " a specific 501(c)(3) organization".
